Want more information about Tasmanian Buckskins Inc?

Tasmanian Buckskins Inc is a Colour Society formed to provide a state-wide registry to cater for the growing number of buckskin horses and ponies entering the equestrian scene in Tasmania. Together with NSW Buckskin Horse Association, National Buckskin Society (VIC) and South Australian Buckskin Association, we form the Australian Buckskin Association.

Tasmanian Buckskins Inc has three stud books that eligible horse and ponies can be registered with:

1. **General** For all horses and ponies that meet our colour standards and pass classification through clear, colour photographs and vet certificate (for stallion applications only).
2. **Foundation** For all females and stallions that are born buckskin and then grey out or show signs of other colouring, for example appaloosa.
3. **Appendix** For all horses who have a Australian Buckskin Society registered sire or dam and are deemed to be non-buckskin.

WHAT WE CAN OFFER YOU . . .
